## **OBJECTIVE**

To develop a professional career that provides an adequate chance of learning and developing skills.

## **SUMMARY OF QUALIFICATIONS**

### **M.Phil (Bio Chemistry/Molecular Biology)**

Quaid-i-Azam University, Islamabad

Session 2010-2012

CGPA: 4.2

Course work 80%

Research work 86%

Advances in molecular biology, Advances in molecular genetics, Genomics, Clinical biochemistry, Molecular mechanisms of diseases, Nutrition in life cycle

### **Research work on Human molecular genetics**

**Research Topic:** Molecular Analysis of Families with Cone dystrophies

### **M.Sc (BioChemistry/Molecular Biology)**

session 2008-2010

Quaid-e-Azam University Islamabad

84.6%/A

Principles of biochemistry, Molecular biology, Protein chemistry, Clinical biochemistry, Research techniques and instrumentation, Principles of gene manipulation

### **B.Sc (Botony , Zoology, Chemistry)**

session 2005-2007

University of Azad Jammu and Kashmir, Muzaffarabad

1<sup>st</sup> division(69%)

**HSSC (Pre-Medical)**

**Mirpur Board Azad Kashmir**

Insight Model College, Bhimber Azad Kashmir

**Session 2003-2005**

**1<sup>st</sup> division**

**DISTINCTION**

**3<sup>rd</sup> Position in B.Sc in Azad Kashmir University**

**Certificates Of Participation**

*National conference on Trends in Biochemistry and Molecular Biology*

Department of Biochemistry Quaid-i-Azam University, Islamabad

**Expertise in Molecular Biology Techniques**

Extraction of plasmid and genomic DNA from eukaryotes

Extraction of RNA

Blotting techniques (western and southern)

All types of chromatographic techniques

Genotyping
